## Please Take Note

**COVID-19 (Coronavirus):** We are very mindful of the potentially serious impact the spread of this virus could have, both on the nation and on our church life. The Wardens and I have met and prayed about our response. We believe the best thing we can do at this stage is to keep up to date with Government and Health Ministry advice, and take appropriate action as directed. Please do pray that the virus will not take hold in Aotearoa New Zealand. And if you're travelling overseas please follow advice regarding self-isolation upon return. Some precautions will be introduced at Sunday's services. Michael
